2. Chapter Activities:

1. Midtown Detroit Noel Night Geo Exhibit and Bake Sale 2012

December 3, 2012: The AIPG WSU Chapter, together with the Wayne State Geology Department participated in the Midtown Detroit Noel Night Activities. Stations were set up in Old Main on the WSU campus in the halls of the Geology Department for the community to enjoy. Student Volunteers, along with Dr. Ed Van Hees, showed kids and adults minerals, rocks and fossils and talked with them about where they came from and how they are made. Thin sections of minerals were projected onto the wall so that attendees could see what minerals look like under a petrographic microscope. A table was set up for kids with coloring books and crayons to use on coloring sheets of nature scenes. Student volunteers also gave groundwater transport demonstrations with a simulation tank provided by Dr. Larry Lemke. A bake sale was also held and the officers and student volunteers raised \$350 selling homemade baked goods and mineral samples.

2. AIPG WSU Student Chapter Valentines Day Bake Sale

February 13, 2013: Club members held a bake sale fundraiser. \$250 was fundraised.
