

American Institute of Professional Geologists (AIPG) Georgia Section Presents:

8th Conference on: Innovative Environmental Assessment and Remediation Technology (September 18 & 19, 2018)

Dear professional colleagues:

By participating in the **Eighth AIPG Innovative Environmental Conference** you can earn up to **14 education hours** for a price of **\$100 (AIPG Members)**.

Looking forward to seeing all of you again soon!

<http://georgiaaipg.weebly.com/>

- Hear discussions on the latest technology regarding environmental assessment and remediation given by regulators, engineering and geological consultants, attorneys, etc.
- View the latest technologies with multiple vendor exhibitors to help you assess your remediation needs.
- Meet potential clients, contractors, government regulators, university professors, service providers, and old friends.
- Funds raised are used to support our AIPG student chapters and award eight student scholarships to students in Georgia.

We are currently seeking Speakers for this year's conference.

If you are interested in presenting, please send the title (or subject matter) along with a small abstract explaining your topic to:

Brian Shinall – bshinall@fruits-us.com or

Eric Lowe – ericlowe123@gmail.com

To be an exhibitor or sponsor, please head to the website and sign-up. <http://georgiaaipg.weebly.com/>

Some of our early exhibitors and sponsors for this year are below. **PLEASE** add your company to this year's list!
